- For reviewing, you need to be registered at the [AAR2 homepage](#).
- If you have already an account, you just need to [log in](#).
- You can comment on the report on the AAR2 homepage going to [Scientific Review](#).
- To be able to review please accept the [APCC Conflict of Interest Policy](#) first.
- Guidelines for the review are available [online](#).
- To go directly to a specific chapter, click on the respective chapter in the Table of Contents in the document window.

1) Enter comments

The FOD is numbered as an entire document (623 pages). Line numbering starts anew with each page. The report can be commented on page by page and line by line. Please do this directly in the field next to the document window and enter the corresponding digits for it. In this way, the comments can be clearly assigned to the respective chapters. To refer to the entire document and/or the entire page with a comment, please enter "0" when specifying page/line.

Your entered comments will be saved, you can see them above the document.

For further content guidance for commenting see the review guidelines below the uploaded document.

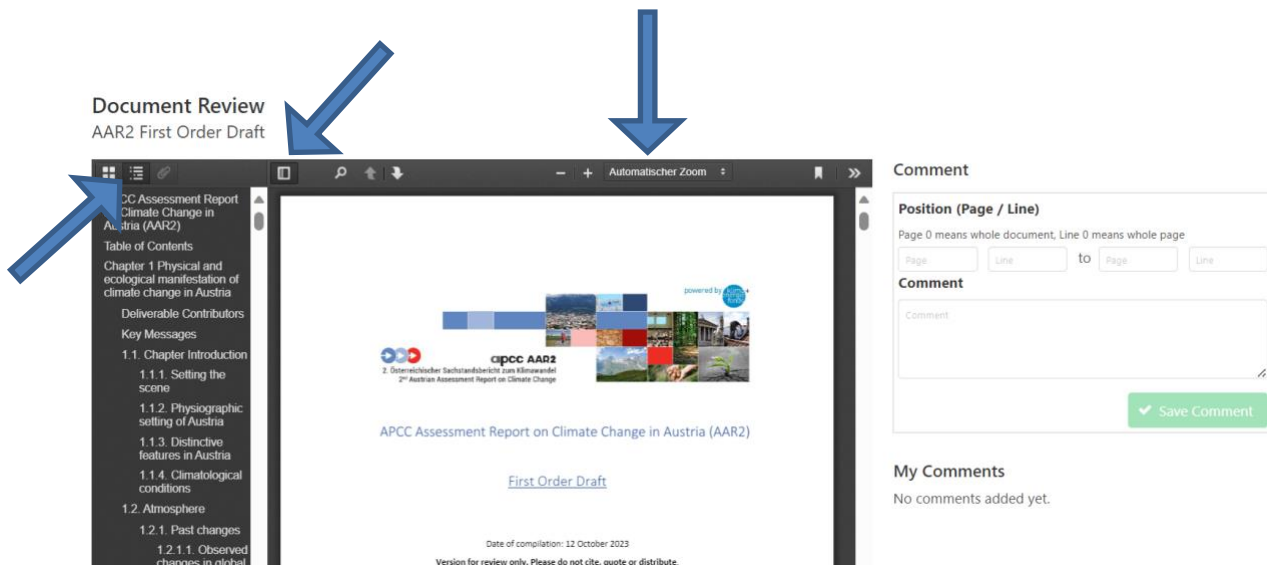

The screenshot displays the 'Document Review' interface for 'AAR2 First Order Draft'. On the left, a document viewer shows the cover page of the 'APCC AAR2' report, titled '2. Österreichischer Sachstandsbericht zum Klimawandel' and '2nd Austrian Assessment Report on Climate Change'. The document is marked as a 'First Order Draft'. On the right, a 'Comment' form is visible, featuring a 'Position (Page / Line)' field with input boxes for 'Page' and 'Line', and a 'to' field for range selection. Below this is a 'Comment' text area and a green 'Save Comment' button. A blue arrow points to the 'Position (Page / Line)' field. Below the document viewer, a section titled 'All Comments By Page Number' is shown, with a blue arrow pointing to it.

2) View and readability

Depending on your monitor and view settings, the readability and view of the document can be changed.

You can zoom in and out by operating Stg – (minus) or Stg + (plus) on your computer. You can also change the view in the document window itself choosing the zoom (-+) on the top bar in the middle.

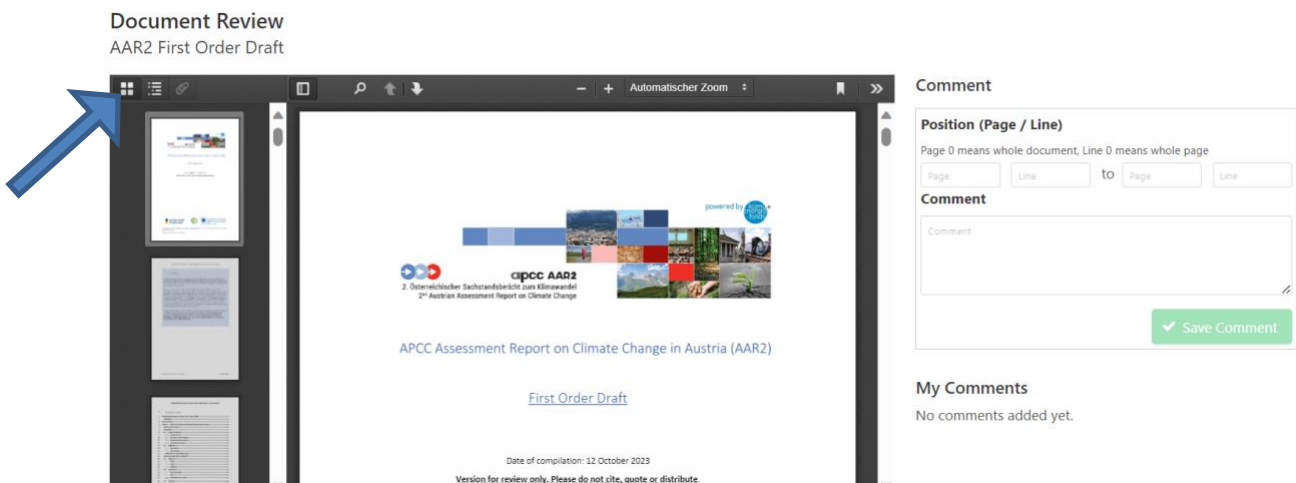

If you prefer to see the structure of the FOD or wish to see an overview of the following pages, change the view in the sidebar on the left on the top bar.

The screenshot shows the 'Document Review' interface for 'AAR2 First Order Draft'. The top bar includes a navigation menu with icons for home, list, search, and zoom, and a zoom level of 'Automatischer Zoom'. The left sidebar is expanded to show a 'Table of Contents' with the following structure:

The main content area displays the report title 'APCC Assessment Report on Climate Change in Austria (AAR2)', the subtitle 'First Order Draft', and the date of compilation: 12 October 2023. A disclaimer at the bottom reads: 'Version for review only. Please do not cite, quote or distribute.' The right sidebar contains a 'Comment' section with a 'Position (Page / Line)' field, a 'Comment' text area, and a 'Save Comment' button. Below it, the 'My Comments' section shows 'No comments added yet.'

The screenshot shows the same 'Document Review' interface for 'AAR2 First Order Draft'. The left sidebar is now in a thumbnail view, showing small preview images of the report pages. The main content area and right sidebar are identical to the previous screenshot, displaying the report title, subtitle, date, disclaimer, and comment section.
